

## Position Available – Accounting Manager

As a valued member of our Accounting Team for 18 years looks toward retirement, we are starting a search to find a replacement. It may be a challenge to find the right successor, but our team of experts is committed to helping us find that right person!

We are looking for a person dedicated to God's mission for Calvary Chapel Chino Hills and who will uphold unchanging biblical truths that break the power of darkness, transform lives, and equip the church to stand as the salt and light of the earth.

In addition to helping us find the best candidate, our Accounting Manager will be staying with us for as long as is needed to help transition this person fully into the role. So, thankfully, we have our beloved team leader for a while longer!
